Visit Weekend

Accept Offer

- Take GRE and any other tests
- Write your Statement of Purpose
- Request transcripts and references
- Read application instructions carefully
- Join our AMA on Facebook in September

- Apply online through the Cockrell School of Engineering
- Pay application fee
- Have test scores sent to UT
- Admissions is done on a rolling basis, so it is strongly recommended you apply well in advance of the December 5 application deadline

- Receive email in 24-48 hours with login info and UT EID.
- Login to MyStatus to upload transcripts and other supplemental documents.
- Transcripts processed by Graduate School in 3-4 days.
- Periodically check to ensure all your documents have been received and processed and that your application is complete.

- Admitted students will receive an offer letter by the end of February

- Visit Weekend takes place in March and is by invitation only

- Admitted students need to accept or decline the offer by April 15
